

APRIL 1-5, 2024

Live and virtual events accessible to students, staff and faculty across all Penn State campuses featuring relevant and informative sessions on AI topics.

- Showcase of AI research, major AI initiatives, and funding opportunities
- An awards presentation for achievements in AI
- Corporate-sponsored events to engage with industry partners and potential partners
- Virtual presentations by AI leaders in education from around Pennsylvania
- AI Fools' Day challenges; AI-powered hackathon
- Co-Organizers include:
 - > Center for Artificial Intelligence Foundations and Scientific Applications (censai.psu.edu)
 - > Center for Applications of Artificial Intelligence and Machine Learning to Industry (aimi.psu.edu)
 - > Center for Socially Responsible Artificial Intelligence (csrai.psu.edu)
 - > Center for AI Foundations and Engineering Systems (cafe.psu.edu)
 - > Nittany AI Alliance (nittanyai.psu.edu)
 - > Center for Science and the Schools (csats.psu.edu)
 - > Center for Immersive Experiences (immersive.psu.edu)

Events and activities are being added and finalized through March. Email the Penn State Ai Hub at aihub@psu.edu.
