Califon, NJ 07830

Dear Ms. Grant:

I am interested in working for you as a member of CommAgency. Currently on track to graduate with a Bachelor of Arts degree in Film in 2021, my coursework as an undergraduate student has equipped me with the skills and knowledge necessary for success as a member of a production team. As a Film/Video student of The Bellisario College of Communications, I am creative, passionate, and hardworking, and I strive to create content that portrays my creative vision and inspires others. I will bring enthusiasm, professionalism, and insightfulness to CommAgency through both my work and my demeanor.

With my major of Film/Video, I am particularly fond of working in post production. Editors make the creative decisions that turn footage into films; they turn shots into scenes, scenes into sequences, and sequences into everyone's favorite films. My current job as an editing lab assistant places me in a collaborative environment where I aid my peers in editing their video projects and solving technical issues that arise during editing. I find it personally rewarding to be able to help other students learn a new editing skill or guide them through a computer-related roadblock. In helping other students, I also fine-tune my own skills as an editor and continue to develop a great sense of technological competency. Aside from working in the editing lab, I am also involved with PSNtv where I am part of the production team behind *A Taste of State College*. My other on-set experience includes working as a production assistant on multiple student films, as well as creating my own short films for COMM 242 at Penn State. I am confident that my skills correspond with those needed to thrive in a creative and collaborative environment such as CommAgency.

As a member of CommAgency, I will apply my technical skills and my passion for visual storytelling to the work that I produce as a member of the team. I have also included my resume for your consideration. Please feel free to contact me by email at emmarileypsu@gmail.com or by phone at (908) 328-8321. I will happily answer any questions you may have about me or my resume. Thank you for your time in reading and reviewing my qualifications.

Sincerely,

Emma Riley
