

Donald P. Bellisario,

I just wanted to take a moment to thank you personally for the gift of your scholarship. This money is more than appreciated and I am glad I got the honor of meeting you on your last visit here. It was a pleasure getting to meet you personally along with your wife and two friends from my part of the country. I hope you are doing well and just wanted to say thank you again for all of the scholarships on your behalf throughout my time here at Penn State, as this is the last letter I will be writing since I am graduating in December and moving back to warm sunny San Diego! So thank you again!

Sincerely,
Joseph Meda
