## SOCIAL DATA ANALYST

Skilled and insightful analyst, capable of working with multiple programming languages. Interested in experiencing my field at the professional level.

*Key skills include:*

- Analytical Mindset
  - High-level Communication skills
  - Database Experience
  - Adaptable
  - Strong Leadership
  - Effective Presenter
- 

## PROFESSIONAL EXPERIENCE

CAMP WHEELER, *Stanhope, New Jersey*

**Area Director (Mountain biking)** (June 2015 – August 2018)

Performed all maintenance and repairs to equipment. Ensured all safety equipment was functional and properly stored. Provided unique activities and biking routes to ensure the same level of enjoyment for returners and new visitors.

- Used strong leadership skills to help improve the skills of the counselors.
- Key member of new-employee training team.
- Earned multiple recognitions for exemplary performance and service.
- Received one of two college scholarships granted by my employer (August 2018).

**Counselor** (June 2014 – June 2015)

Oversaw groups of 20 to 30 children, ensuring safety, and creating an enjoyable experience. Assisted in program areas when requested, and/or covered for area staff whenever necessary.

- Used strong people/communication skills to help educate and direct the children.
  - Utilized strong leadership skills to help struggling co-workers, by providing encouragement and suggestions.
  - Promoted to Area director within one year.
-
