## EXPERIENCE

### **PSNTV, PSN News** — *Crew member*

Spring 2018 - Present

Rotating roles such as camera operator, technical director, floor manager, and audio control. This helped me gain knowledge of a studio and its components.

### **PSNTV, The Valley** — *Multiple roles*

Fall 2018 - Present

Director - Writer, Editor, Actor

### **Penn State Film Club, University Park** — *Multiple roles*

Fall 2018 - Present

Volunteer in student projects in various roles such as lighting, boom operator, actor, and camera operator.

### **Genetic Productions, Glen Mills** — *Production Intern*

Summer 2018

Intern for live video and audio production. Helped in pre-production of events with set construction, cable management, arrangement for audio, video and lighting set-up. Helped in overall breakdown of equipment and storage which translated to ample knowledge of the equipment and how to handle it. Handled camera work and helped with LED screen graphics.

## EDUCATION

### **Penn State University, Bellisario College of Communications** — *Bachelor's Degree*

Aug 2016- Present

Telecommunications / Video Production
