

It's time for Spring Cleaning!

April 25 from 4:30 - 5:30 - Mac Lab (Room 019) Carnegie Building

(Please note that the event will be held during Colloquium for the week.)

“Tidy up” your Professional Toolbox.

Dr. Bortree, Dr. Elavsky, & Dr. McAllister will offer need-to-know tips on:

- Cleaning up your CV
- Turning course papers into conference submissions
- Turning conference papers into publications

Please bring your current CV and research papers for review.

The lab will be available after 5:30 for participants to apply what they learn!
