

I am grateful for the opportunity I was given by Spear Travel Group for the opportunity to intern for them this semester. I desire an internship because I want to gain work experience in my field of interest and while interning I will be learning more and more details about the specifics of the advertising field. I am eager for the opportunity and I want to be able to strengthen my knowledge of advertising and also strengthen my skills in graphic design. As I am unsure of my future career goals, I am motivated and excited by the opportunity I was given to explore more into the advertising industry.
