- Instrumental in designing, implementing, and teaching Holocaust Studies courses at Dallastown Area High School since 2000. At the present time, I teach four classes of Holocaust Studies classes a Trimester (5 period day/60 class periods per trimester/Available for grades 10-12) for Three Trimesters a year. I am consistently educating over 300+ students at Dallastown High School per year on the Holocaust as this is my entire teaching schedule and as has been for the past five years.

Education:

The Pennsylvania State University – University Park Campus
