Dear Selection Committee,

I am writing this letter of recommendation on behalf of Dawn Campbell, who is the Social Studies Curriculum Coordinator for the School District of Washington. Dawn has expressed a strong interest in attending the Holocaust, Genocide, and Human Rights Summer Institute at Penn State, and I wholeheartedly endorse Dawn for this program.

As the Assistant Superintendent of Curriculum and Instruction, I have had the privilege of working closely with Dawn over the past several years. In her current role, Dawn is responsible for developing and implementing a comprehensive social studies curriculum for grades 9-12. She has demonstrated an unwavering commitment to ensuring that our students receive a well-rounded education that prepares them to be informed and engaged citizens in an increasingly complex world.

Given Dawn's passion for social studies education, I believe that attending the Holocaust, Genocide, and Human Rights Summer Institute at Penn State is an excellent opportunity for her to gain a deeper understanding of these critical topics and new teaching strategies to better serve our teachers and students. As our districts moves towards more inquiry-based learning opportunities, I believe attending The Holocaust, Genocide and Human Rights Institute would greatly benefit Dawn and our district's approach to teaching the humanites.

Thank you for your consideration of Dawn's application.

Sincerely,

Maranda Anderson
Assistant Superintendent of Curriculum and Instruction
School District of Washington
