

A five (5)-sentence statement (ideally a typed PDF file) discussing why you desire an internship, what you hope to get from an internship, and your career aspirations. This question must be answered in order to be approved for a for-credit internship.

I would like to work with Samuel Goldwyn films as an intern, because it will give me invaluable workplace experience and direct knowledge of the field. I have a lot of experience with post production and on-set production, but I want to further explore the industry. Having the opportunity to be a script coverage intern will broaden my understanding and give me insight to see if this is a career path I could see myself in. Ultimately, the opportunity will be pivotal in deciding what aspect of film production that I want to pursue in the future.
