As a part of the Penn State Hollywood Program, I interviewed with many companies, and was fortunate enough to receive and accept an internship from Stone Talent Agency. I hope to improve my skills in script coverage and making demo reels for different clients. Having never worked for a talent agency, I also wish to use this opportunity as a learning experience for my own future. This internship will hopefully provide me with knowledge on how to better navigate the film industry. Upon graduation, I aspire to pursue a career in the film industry as a screenwriter, film producer, and actor.
