

It is my goal to have an internship next semester because I want to continue my education in the field of public relations and, specifically, entertainment public relations. When I read the email from Bob Martin, I knew this was my chance to take this opportunity on. In addition to gaining valuable experience, I hope to build relationships with my coworkers that I will be able to continue to develop in the future. In the future, I'd like to work in entertainment public relations. This internship will be a significant step toward my goal.
