Dear CommAgency Internship Committee,

Please accept my highest and most enthusiastic recommendation for Jaimee Chiponis. I have known and worked with Jaimee as her academic adviser since July 2015. In that time, I have found her to be incredibly driven, creative, energetic and passionate about her work and studies. Her stellar work ethic and proactive attitude have always put her in the best possible position to succeed academically and professionally. As you can see from her resume, Jaimee has already gained a good amount of relevant experience but is always striving to learn more and challenge herself. I believe that given her strengths, career goals, and ability to thrive in a variety of environments Jaimee is a perfect candidate for the CommAgency internship.

Any company would be hard pressed to find a more passionate and hard-working employee. Jaimee possesses the necessary demeanor, skill, and aptitude required to be successful in the media field. She is highly motivated, intelligent, and multidimensional. Currently, Jaimee is on track to graduate an entire semester early, with a Bachelor of Arts degree in public relations. Her ability to balance academics, professional experience, philanthropy, and social commitments is commendable.

Jaimee's excellent GPA, and plethora of experience in many different aspects of education and life make her an exceptional choice for any employer/internship. I recommend Jaimee without reservation and truly believe she will be a successful, wonderful, and positive addition to your program. Please feel free to contact me if you have any further questions.

Sincerely,
