Dear Madeline Myford,

I would like to express my interest in the Gameday Property Assistant I discovered this job opportunity through the Donald P. Bellasario Communications Job Expo. My goal is to learn and grow in my level of sports and communication skills. After careful consideration I believe my previous work experience and educational background qualify me for this position.

Through my experience at JLEW Bags, a startup athletic bag company, I believe my love of public speaking and previous experience running a social media account and website, helped me learn the in and out of running a company and utilizing the media to promote a brand. In addition to these responsibilities, I provided assistance in communicating to the founder what the consumers feedback and how to take that feedback and use it to improve. This experience provided me with knowledge and skills in order to apply for Gameday Property Assistant.

I would appreciate the opportunity to meet in person and discuss my knowledge of interest in the position. You may contact me by telephone at any time at (917)597-2620, or by email at azk5853@psu.edu. Thank you for your consideration. I looking forward to hearing from you in the future.

Sincerely,

Alexandra Kalika
