**Dear CommAgency:**

My name is Victoria Murphy and I have been very interested in joining this club ever since I heard about it last year on a tour.

On my tour last year, I was fortunate enough to get a tour of Innovation Park and see all the great tools we have in order to produce amazing content. At accepted student's day I listened to one of your team members speak on your club and immediately caught interest in the idea of creating and producing a variety of content.

In high school, I took four years of video production courses along with many side projects I created for my teacher. I would love to interview for a position in your club. I feel as though I would be a great fit due to my experience in high school and my passion for videography and editing.

**Sincerely,**

**Victoria Murphy**
