Catie Grant
Director, Comm Agency
213P Lubert Building
University Park, PA 16802

Dear Ms. Grant:

I am writing to express my interest in a Comm Agency position. I received an email about this position from the Bellisario College of Communications and it immediately grabbed my attention.

My previous experience with Communications related classes taught me how to produce videos well under time sensitive deadlines. My time working in the Finestra Editing Lab has given me hands on experience using and explaining Adobe software to others. Although video editing has been my main focus during my time at Penn State I would love the chance to be part of something that involves a little bit of everything media.

Working for Comm agency will provide me with a great opportunity to apply my knowledge of video production and to further develop my skills in a professional setting. I would appreciate the chance for an interview at your convenience. Please contact me at axb5194@gmail.com or 814-380-0131 to further discuss my interest and qualifications as they relate to this position. Thank you for taking the time to look over my application.

Sincerely,

Abby Bennett
