Dear Ms. Grant,

I am writing to apply for a position in your Social Strategy and Promotion department. I am a freshman here at Penn State working on my BA in Advertising/Public Relations with minors in Business in the Liberal Arts and Sports Studies. I believe that I have the qualifications to make a significant impact at your firm and would greatly appreciate you considering me for this opportunity.

Throughout my brief time here at Penn State, I have thrown myself into everything Communications. As an Account Associate with Happy Valley Communications and the Coordinator of both the Association of Women in Sports Media's and the Men's Club Ice Hockey team's social media, I believe I can contribute immediately to your social media awareness and strategy.

So far, I have been able to learn so many things from the people I've just started to work with. Comm Agency would be a great opportunity for me to learn that much more about Multimedia Production, a field I'll need to be knowledgeable about going forward.

Please feel free to email me or call me at (240)-506-5187. I look forward to hearing from you soon.

Sincerely,  
Brynn Smith
